

Dear Community Member,

The Woodlands Masters Swim Team (WMST) is a year-round both competitive and non-competitive swimming club for adults aged 18 +. Founded in 1987, WMST is a non-profit, 501(c)(3) organization that has grown to almost 200 members from the surrounding Woodlands and greater Houston area. We have swimmers of all ages and abilities; from those who want to swim to keep up their fitness, to those who compete on the National and International level at USMS and FINA competitions.

WMST hosts several meets and events throughout the year, and we are looking to partner with sponsors from our local community in order to offer a way to gain positive exposure amongst our members and the surrounding community.

We are offering an **extended** Sponsorship this year to encompass the remainder of 2023, plus the entirety of 2024. For the remainder of 2023 WMST has a few meets scheduled including: a 1-day Summer Splash Long Course meet on July 8, and our annual Sabine Weiser November Classic 2 day meet from November 11-12.

In 2024 we are in the process of bidding to host the 2024 USMS Short Course South Central Zone Championship Swim Meet from April 27-29. This meet is expected to host over 200 swimmers (in addition to their supporting family and friends) from our South Central Zone (Texas, Oklahoma, Arkansas) over the course of the weekend. A one day summer meet is in the plans, along with the Sabine Weiser November Classic in 2024.

All of these events will have t-shirts available for sale with sponsors printed on the back.

Sponsorship of WMST would be a tax-deductible donation, and allow for advertising opportunities (when available) in the form of: electronic and print heat sheets (meet program), event t-shirt, customized banner display at registration desk, social media sites, and team website.

Let's work together to help make you a WMST sponsor!

Thank you for your time and consideration,

Alana Wilson  
WMST President
